MEET THE LEADERSHIP TEAM

A Message From David A. Schaefer, Chief of Police

David A. Schaefer
Chief of Police

On behalf of the dedicated members of the Madeira Police Department, I am pleased to share with you our 2021 Annual Report, giving you a snapshot of the programs and services, your police officers provide to make our community safe.

The year 2021 was a challenging year in unprecedented ways for our Officers and community. COVID-19 significantly impacted our community, day-to-day operations, employees, and their families. National civil unrest and demand for police reform led to critique and an ongoing assessment of departmental policies and procedures. Even with these challenges, I was amazed at the strength and perseverance of our officers and the amazing work they continue to do daily. Your Madeira Police Department will continue to focus our efforts on traffic safety issues, crime prevention, and community engagement. The tremendous trust we have achieved with the community we serve is not something we take for granted, it's something our officers continually strive to improve. I genuinely appreciate the support and interest in the police department expressed by community members each day.

We share a special bond in Madeira with the community, and we ask that you communicate with us so your voice is heard. You can be assured that the members of the Madeira Police Department will continue to work diligently to ensure a safe and secure city for all those who live, work, visit and conduct business within the city. The commitment and dedication of the members of the Madeira Police Department help define a "top-notch" professional agency and I extend my thanks to every member.

I encourage you to review this Annual Report, so you can fully appreciate the scope of services we provide. I hope you enjoy learning more about the extraordinary members of the Madeira Police Department.

Sincerely,

A handwritten signature in blue ink, appearing to read "David A. Schaefer".

Welcome Cameron Stewart

Pictured Right: Cameron Stewart was welcomed to our team in 2021. Cameron joins us after serving as a Trooper with the Ohio State Highway Patrol. Officer Stewart completed an extensive Field Training Program and is currently assigned to our night shift.

2021 MADEIRA PD

OUR CORE VALUES

Honor

We are committed to upholding the honor of our profession by providing honest and faithful police service to all who may be in danger or distress.

Loyalty

We are steadfast in our allegiance to the City of Madeira and its citizens, the law, and the members of our department.

Commitment

We dedicate ourselves to our assigned duties and the exceptional standards of our department and community.

Duty

We do not swerve from the path of our obligations, nor do we depart from the standards of professional conduct. We obey the law and enforce it without any consideration of class, color, creed, religion, or condition.

OUR HISTORY

Madeira was incorporated as a village under the statutes of the State of Ohio in 1910. The village was protected by a series of elected marshals and appointed deputy marshals until 1942 when Tom Fesmire was appointed as Madeira's first Chief of Police. Chief Fesmire was succeeded by Chief Fred Doer in 1947.

Chief Doer began to expand both the technology and personnel of the Madeira P.D. in the early 1950s. By 1954, the department had a complement of four full-time officers, and two vehicles and was dispatched via the brand-new Hamilton County Communications Center. Chief Doer continued to develop the police department by equipping and training personnel in photography, fingerprinting, and basic first aid. Chief Doer saw Madeira through its transition from a village to city status in August of 1959 and retired in 1962. Chief Doer was succeeded by Chief Tom Gerth, who previously served the Amberley Village Police Department. Chief Gerth was replaced by Chief Don Wallace in 1967.

Chief Wallace saw the department nearly double in size with the 1970 annexation of the South Kenwood area of Columbia Township, eventually bringing the authorized strength of the department to ten full-time officers. Chief Wallace died in office of Hodgkin's disease in 1971 and was succeeded by Chief Phillip Hudson. Chief Hudson established a sound base of written policy and procedure throughout his administration. The police department grew to eleven officers under Chief Hudson, who ultimately retired in 1986.

Gerald Beckman was appointed as Chief of Police in 1987. The police department saw many changes during his tenure; most notably the full utilization of computers in both the station and the patrol cars, and the addition of a twelfth police officer in 1990. Chief Beckman served until his retirement in 2001.

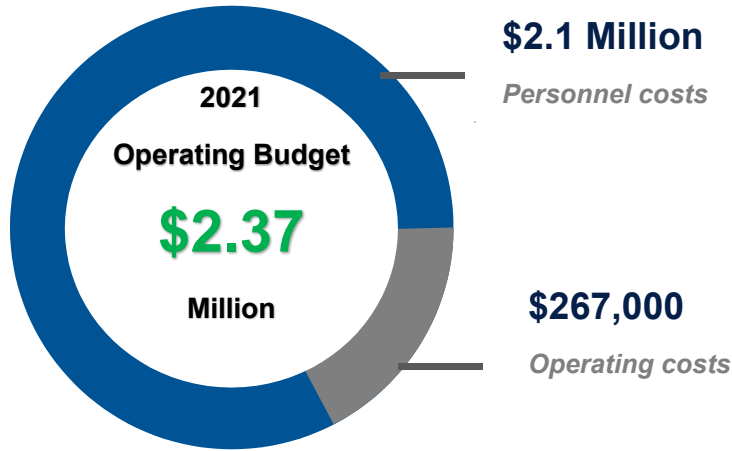

Frank A. Maupin was appointed as Chief of Police in 2001, after serving the residents of Madeira as a Patrolman and Lieutenant for many years. Chief Maupin oversaw the continued modernization of the department with a focus on the addition of services. During his tenure as Chief, the department added a full-time investigator, crime prevention programs, bicycle patrol, a K9 officer, and updates to the officers' uniforms and vehicle graphics. Chief Maupin also ensured the changing needs of a growing Madeira were met by the addition of two additional police officers, bringing the total staff to fourteen full-time officers. Chief Maupin served until he chose to retire in 2016.

David A. Schaefer was appointed as Chief of Police in 2017. Chief Schaefer previously had served over thirty years as a Lieutenant with the Springfield Township Police Department, the Commander of the Drug Abuse Resistance Taskforce, and the Commander of the Hamilton County Police Association Special Weapons and Tactics Team. Chief Schaefer continues to enhance the professionalism and level of service provided by the Madeira Police Department at every opportunity. Chief Schaefer focuses on establishing strong relationships between the department and members of the community. He ensures that officers are highly trained a properly equipped to meet any challenge.

Today the Madeira Police Department is a modern, well-respected law enforcement agency within the Hamilton County police community. The department continues to learn and grow to better serve the ever-changing and complex needs of a high-quality community.

FLEET AND FINANCES

Our Budget at a Glance

Our Fleet

CALLS FOR SERVICE

26,516

Calls for service responded to or assigned tasks completed by Madeira Police Officers in 2021

K9 Unit

Lt. Ed Farris and his partner are available to respond when needed.

90 seconds or less

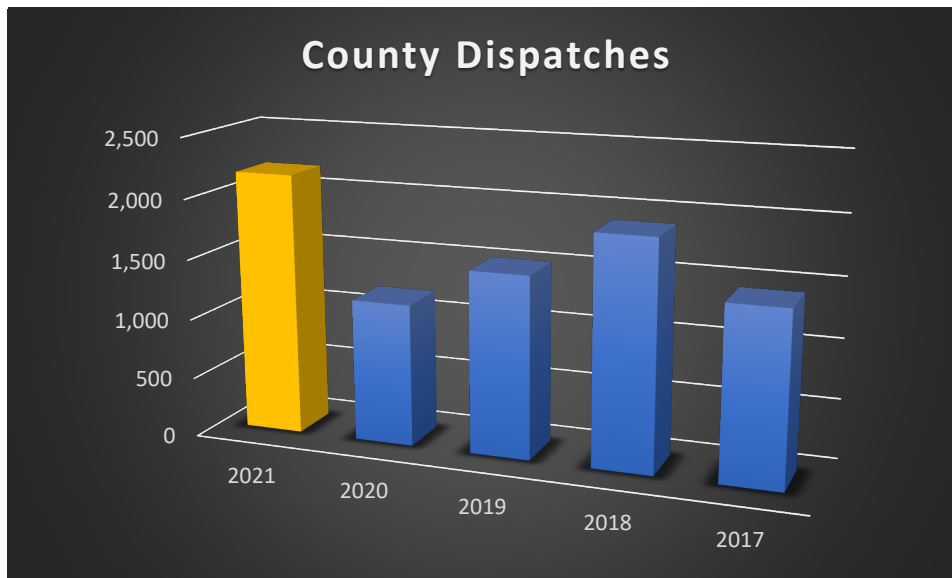

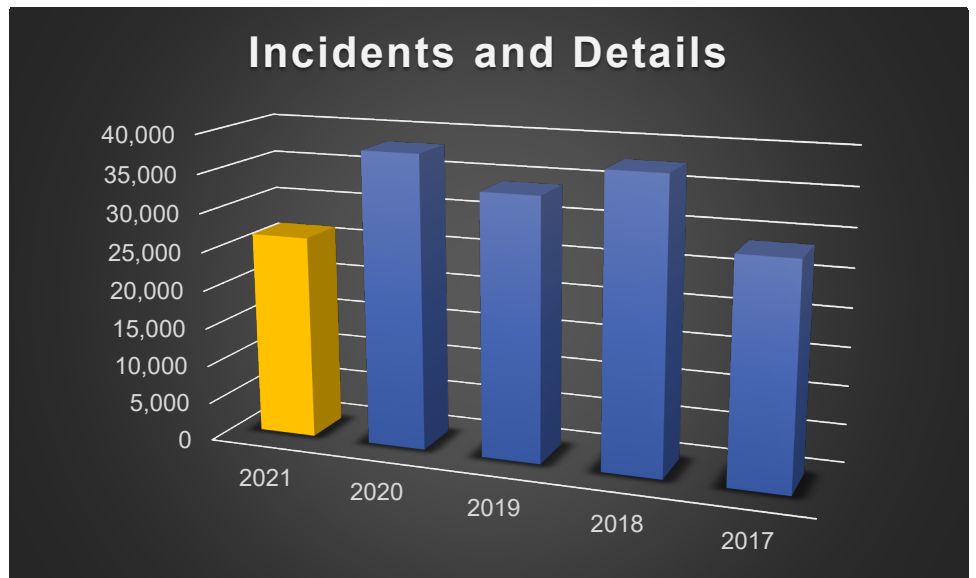

is the average response time for a Madeira Police Officer to be on their way to you after dialing 911

CALLS FOR SERVICE

Total Incidents and Details

Incidents are defined as both calls for service received by telephone or self-initiated tasks by an officer. This can include vacation house checks, traffic stops, or business checks to name just a few.

County Dispatches

Any calls for service received via radio dispatch from the Hamilton County Communications Center are considered County Dispatches. These typically include calls for service received via 9-1-1. These types of calls are often emergencies, such as fire runs, life squad runs, and crimes in progress.

INVESTIGATIONS

Detective Rick Byram

is tasked with providing high quality criminal investigative support to the Madeira Police Department by conducting timely and thorough criminal investigations using advanced investigative techniques and through an efficient use of resources. Det. Byram provides support assistance to Road Patrol Officers by assuming investigative responsibility involving major crimes occurring within the City. He is also tasked with conducting crime scene investigations, investigating computer and technology-based crimes, financial crimes, identity theft, and countless other offenses needing extensive follow-up. Det. Byram also maintains department property and evidence storage, including its analyzation and preparation for trial.

SPECIAL ASSIGNMENTS

Madeira Police Officers are routinely assigned to multi-jurisdictional task forces to take advantage of costly resources, pair important skills and reach out to other departments and agencies to solve and eliminate crimes. Task forces can be more efficient and more effective than individual departments working solo. When police departments join forces against organized, problematic and systemic crime, they can better utilize available resources to keep the public safe. Madeira officers are also trained in advanced investigative techniques and certified to preform specialized tasks needed for complex investigations. Special assignments are performed in addition to an Officer's regular duties.

Hamilton County OVI Task force

The Hamilton County OVI Task Force is comprised of 28 Hamilton County law enforcement agencies and the Ohio State Highway Patrol. They conduct approximately 18 OVI checkpoints annually and operate a number of 'saturation patrols' that target impaired drivers throughout the year. The Task Force participates in two national highway safety campaigns: Click It or Ticket, held over the Memorial Day weekend, and Drive Sober or Get Pulled Over, held over the Labor Day weekend. They are funded through the Ohio Department of Public Safety - Ohio Traffic Safety Office and the U.S. Department of Transportation - National Highway Traffic Administration. In 2021, all Madeira Officers participated in enforcement efforts led Lt. Jay Roy and Officer Ron Mueller, who coordinate participation.

Drug Abuse Reduction Taskforce

The (DART) Northeast Hamilton County Drug Task Force is comprised of the Police Departments from Addyston, Cheviot, Colerain, Delhi Township, Evendale, Fairfax, Forest Park, Green Township, Greenhills, Harrison, Lockland, Loveland, Maderia, Mariemont, Montgomery, Mt. Healthy, North College Hill, Norwood, Sharonville, Springdale, Springfield Township, and Woodlawn. DART works in conjunction with the Hamilton County Prosecutors Office, U.S. Attorney's Office for the Southern District of Ohio, Cincinnati Police Department Narcotics Unit, Cincinnati Police Department District VCS Units, Hamilton County Sheriff's Department, Hamilton County Heroin Task Force, Ohio State Highway Patrol, U.S. Drug Enforcement Administration (DEA), U.S. Immigration and Customs Enforcement (HSI), the Federal Bureau of Investigation (FBI), the Ohio Bureau of Criminal Identification and Investigation (BCI), and the Ohio Pharmacy Board. Officers are periodically assigned to this task force.

SPECIAL ASSIGNMENTS

Hamilton County Police Association Honor Guard

The Hamilton County Police Association Honor Guard is dedicated to each and every law enforcement officer who has served their community faithfully and without reservation. Whether retired or active, those who have made the ultimate sacrifice, while in the performance of their duty, will be honored with the utmost respect, dignity, and appreciation from every member of the Hamilton County Police Association Honor Guard. The HCPA Honor Guard was established in 2002. The unit has the ability to perform fire team salutes, as well as full-service cemetery duties, including bagpipes and the playing of Taps for active and retired officers. They are also called upon to perform ceremonial color guard duties within the county. HCPA Honor Guard currently has over twenty-six members from 21 different jurisdictions within Hamilton County. Over the last five years, the unit has been deployed to over 100 funerals, 90 color guard ceremonies, and 25 special events that include Honor Guard participation in Washington D.C. for National Police Week. In 2021, Officer Ron Mueller was assigned to HCPA Honor Guard.

Police Week

Officer Ron Mueller representing Madeira Police Department and all of Hamilton County at Police Week in Washington, DC

SPECIAL ASSIGNMENTS

Evidence Technicians

The purpose of this position is to collect and process evidence related to crimes. In addition, these officers are responsible for collecting, processing, safeguarding and presenting evidence, preparing reports, and administrative duties. Evidence Technicians also perform duties such as fingerprinting, maintaining chemicals, crime scene photography, use of specialized collection and processing supplies and other technical equipment. In 2021, Officer Tim Vogel and Officer Joe Freeman served as the department's Evidence Technicians. Both officers possess advanced certifications including Master Evidence Technician through the Ohio Peace Officer Training Commission.

Tim Vogel
Police Officer

Joe Freeman
Police Officer

SPECIAL ASSIGNMENTS

Hamilton County Police Association Special Weapons and Tactics Team

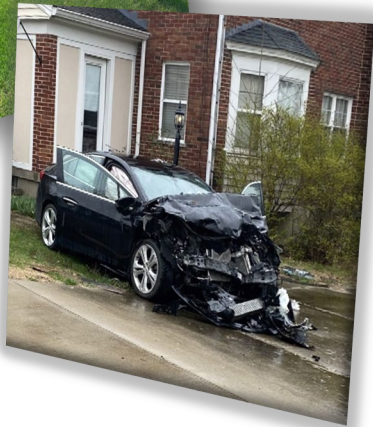

The HCPA's 54-member multi-jurisdictional Special Weapons and Tactics Team is proficient in the most advanced techniques and equipment so as to deliver the highest possible level of emergency police services to over 40 jurisdictions within Hamilton County who utilize H.C.P.A. S.W.A.T. The H.C.P.A. S.W.A.T. Team was established in 1973 and is one of the oldest serving multi-jurisdictional teams in the United States. The Team provides S.W.A.T. services that include high risk narcotics search warrant service and drug-related felony arrest warrants for D.A.R.T., D.E.A., U.S. Marshal's Service, and U.S. Secret Service to an area that covers 222 square miles with more than 802,374 residents. They also provide mutual aid support to the Cincinnati Police S.W.A.T. Team, Butler County Sheriff's S.W.A.T. Team, and the Cincinnati F.B.I. Field Office S.W.A.T. Team. Currently, Lt. Jay Roy was assigned to the team, in 2021, and Chief David Schaefer retired from the team as Commander and is participating in an advisory role.

Lt. Jay Roy participated in a "Touch-A-Truck" event at the Costume Parade and Playdate at McDonald Commons Park.

TRAFFIC SAFETY

94

auto accidents requiring a report. This is a 26% increase from 2020 due to higher traffic volumes in 2021 related to the decline of the COVID-19 Pandemic.

1,487

Traffic stops made

1,194

Traffic citations issued

293

Traffic warnings given

Traffic Calming Strategies

Officers participate in a variety of traffic calming strategies and programs that increase the safety of those on Madeira roadways. These include traffic studies, speed signs, directed traffic patrols, Selective Enforcement Program, Click-It or Ticket, Over the Limit Under Arrest and the Hamilton County OVI Task Force.

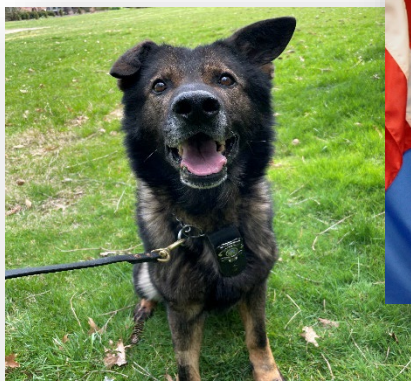

K9 UNIT

Lieutenant Ed Farris & Doc

have been partnered to keep Madeira safe since 2014. Doc is a sworn member of the Madeira Police Department and is the second canine officer in the department's history. Lt. Farris has nearly 15 years of experience leading one of the most respected K9 Units in the Tri-State area.

Training and Certification

Doc is an 8-year-old German Shepard and is one of the most highly trained and experienced dogs in Hamilton County. Doc holds multiple advanced certifications and has the ability to track and apprehend criminals, locate articles, detect the odor of controlled substances, and help locate missing persons. Lt. Farris and Doc have been responsible for the seizure of large quantities of narcotics, guns, and money from drug dealers.

New Addition For 2022

With Doc's planned retirement in early 2022. Madeira Police are excited to welcome the newest addition to our K9 Unit, Onyx. The retirement care of Doc and the addition of Onyx is made possible by the generosity of Madeira residents and the Matt Haverkamp Foundation.

COMMUNITY OUTREACH

Officer Mike Miller

is responsible for helping to coordinate various crime prevention programs and community outreach initiatives that generate a heightened feeling of security and builds positive relationships within our community.

Vacation House Checks

Residents who are away from their homes can request extra patrol from our Officers while they are away.

Residential Key Program

The residential key program is designed to expedite access to residents in their homes during medical or other emergencies.

Safety Presentations

Members of the Police Department frequently provide presentations to local schools and groups. These presentations can be specific to any safety topic and focus on building community relationships.

COMMUNITY OUTREACH

Motorist Assistance

Officers can open a locked vehicle in an emergency situation (child or pet locked in the vehicle). Additionally, Officers are equipped to provide other services, such as jump-starting vehicles.

Seat Belt Education

Officers instruct on the safety benefits of seat belt use to encourage motorists of all ages to wear their seat belt and use the appropriate car seat or booster seat.

Neighborhood Watch

Madeira Police Department helps support Neighborhood Watch groups throughout the City. Officers participate in safety initiatives and timely information-sharing so residents can stay safe by staying informed.

COMMUNITY OUTREACH

AAA Car-Fit

Officers partner with AAA to help more mature drivers stay safe behind the wheel. The American Society on Aging in collaboration with AAA, AARP, and the American Occupational Therapy Association, sponsor CarFit which is an educational program that uses a 12-point checklist to help older drivers determine how well their vehicles "fit" them. Madeira Officers are certified to help drivers complete this checklist

Project ChildSafe

Project ChildSafe is a program of the National Shooting Sports Foundation to promote firearms safety and education. Madeira Police and the NSSF are committed to promoting genuine firearms safety through the distribution of safety education messages and free firearm safety kits to Madeira and communities across the U.S.

Police Station Tours

Officers offer station tours to schools, civic groups, and those who would like to see our organization in operation.

COMMUNITY OUTREACH

Police Safety Camp

Our annual Safety Camp is for area youth ages 8–10. Presentations include demonstrations by police specialty units. Additionally, youth participate in programs in personal safety, stranger danger, basic first aid, bike safety, drug and alcohol awareness, and many more hands-on learning experiences. Most importantly, youth spend the day getting to know our first responders.

Coffee With A Cop

These are regularly scheduled opportunities to share a cup of coffee with an Officer at local businesses, to hear department updates, and ask questions. There are no speeches and no agenda, just conversation.

POLICY & PROCEDURE

Lexipol Knowledge Management System

The Madeira Police Department partners with Lexipol to help ensure our policies and practices are up-to-date with major court decisions, legislation, and emerging trends affecting how we serve our community. Lexipol is America's leading provider of risk management and resources for police organizations, delivering services through a unique, web-based development system. Lexipol provides federally compliant and state-specific policies that are integrated with scenario-based daily trainings bulletins that focus on high-risk, low-frequency events. Officers can access continually updated policy information in the field on any web-enabled device, to build confidence in decision-making that reflects industry best practices.

Trained, Tested, and Ready to Respond

Officers receive ongoing policy training in a variety of formats, including webinars, videos, written, practical, and traditional classroom setting.

OHIO COLLABORATIVE

What is the mission of the Ohio Collaborative?

The mission of the Ohio Collaborative Community Police Advisory Board is to determinedly work to improve community-police relations and find solutions to the tensions and concerns between community members and the police that serve them.

The Madeira Police Department fully supports the implementation of these improvements and enjoys partnering with the Ohio Collaborative in continued certification of our department's delivery of the finest law enforcement services.

Full Certification Continued in 2021

Our department achieved full certification all standards in 2020 by completing a rigorous process, including a thorough on-site review. In 2021 our department continued the certification process in two new standards. Ohio Collaborative standards reflect best practices in police operations and are aimed at maintaining professionalism and increasing public trust. The standards currently address these areas:

1. *Use of Force / Deadly Force*
2. *Recruitment and Hiring*
3. *Community Engagement*
4. *Body-Worn Cameras*
5. *Telecommunicator Training*
6. *Bias-Free Policing*
7. *Investigation of Employee Misconduct*
8. *Vehicle Pursuit*
9. *Response to Mass Protest/ Demonstrations – **NEW IN 2021***
10. *Officer Wellness – **NEW IN 2021***

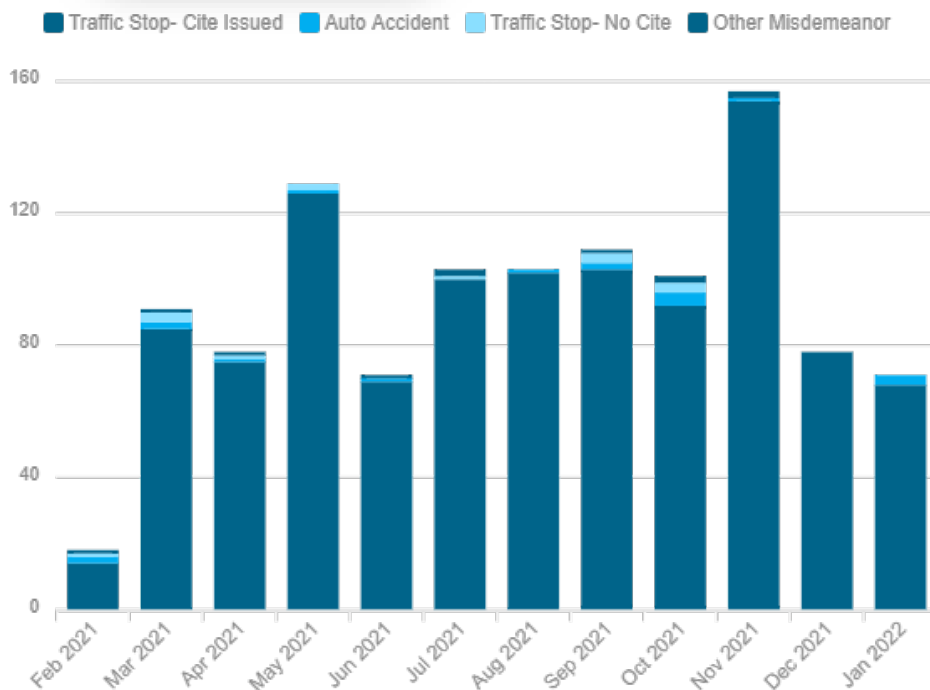

BODY-WORN CAMERAS

Madeira Police Officers use our body-worn camera system to enhance our ability to document police public contacts, arrests, and critical incidents. Body-worn cameras enhance transparency in our Officers' day-to-day interactions, helping to build stronger relationships within the community.

Reveal D5 Body-Worn Camera

Our uniformed Officers are each equipped with a Reveal D5 Body-Worn Camera System.

Genetec Record Management Software

We use Genetec RMS to help securely store, manage, and share audio and video data. In 2021 Officers generated 1109 cases requiring preservation, and historically there are nearly 3,600 cases that are stored according to local, state, and federal record retention guidelines.

MAYOR'S COURT

Office Manager Karen Riesenber

is responsible for ensuring the timely processing of information through our department's extensive records and data systems. Our department generates large quantities of information vital to fulfilling our mission to make Madeira the best place to live, work, and play. Mrs. Riesenber thoughtfully maintains these records in accordance with federal and state requirements. Mrs. Riesenber also serves as the Clerk of Madeira Mayor's Court.

1,213

Mayor's Court cases resolved in 2021

92

FBI-LEEDA Trilogy Award

In 2021 all supervisors completed the FBI-Law Enforcement Executive Development Association's Supervisor Leadership Institute, Command Leadership Institute and Executive Leadership Institute receiving the FBI-LEEDA Trilogy Award.

Pictured to the left are Lieutenants Farris, Phillips and Roy along with other local law enforcement professionals.

PARTNERS IN SAFETY

Madeira Police Officers continually partner with Madeira City Schools and St. Gertrude School to provide a safe and healthy environment for students to learn and grow. This includes engaging staff and students in a variety of education programs, daily visits to each school, and planning for our response to critical incidents.

1,687

School Visits conducted by Officers in 2021

Planning and Preparation

Officers train with educators, Fire/ EMS personnel, and other first responders on how best to respond to a variety of emergencies. Our training focuses on planning the best ways to rapidly bring life-saving resources where they are needed the most.

CALLED TO SERVE

Madeira PD Gives Back

The men and women of the Madeira Police Department see being a Police Officer as more than just a job- it is a calling. It is a calling to serve our community that doesn't stop at the end of a shift. Throughout each year, Officers donate their time, effort, and resources to a variety of charities. Every year we are more and more astonished at the generosity of our friends here in Madeira.

Fill-A-Cruiser

Officers collect non-perishable food items for those in need. Donations support local food banks like the Madisonville Education and Assistance Center.

Toys for Tots

Madeira PD is an official donation location for the annual US Marine Corps Reserve Toys for Tots campaign. Officers helped gather hundreds of new unwrapped toys for needy children.

No Shave November

Officers collect donations in order to grow full beards outside normally strict uniform regulations. Donations benefit cancer charities and stimulate conversation relative to fighting this disease that affects so many.
